

7-7 Extra Phos

A complete mineral for beef cattle and yearlings

7-7 Extra Phos is a great tool in achieving a more efficient, production herd. Uniform consumption is achieved through the palatable cane molasses that conceals this highly fortified mineral supplement. With chelated minerals in 7-7 Extra Phos, minerals are more readily absorbed in the blood stream, helping your herd achieve peak performance.

This product is great for summer time use when high quality forages are available. Help your herd achieve maximum performance with 7-7 Extra Phos.

Advantages of 7-7 Extra Phos

- ★ **Increased reproductive performance**
- ★ **Greater milk production**
- ★ **Cattle get the advantage of the available carbohydrates from the cooked molasses, that improves forage utilization**
- ★ **Licking increases saliva, a natural rumen buffer, so rumen pH is optimized**
- ★ **Fewer health problems**
