

Advantage Stress 15

Engineered for beef cattle

Advantage Stress 15 is formulated for beef cattle, stockers, yearlings, and calves subjected to stress or periods of high production or low quality forage, dry pastures, or lack of sufficient nutrients to optimize performance. It is fortified with all natural protein, highly digestible energy, macro-minerals, balanced chelated micro-mineral sources and vitamins A, D, and E. This product is also fortified with **COMAX** a natural feed additive and **Yucca Schidigera**, promoting bacterial growth and increased rumen function, which results in improved performance.
