

Fly Buster™ Pro

Protein supplement for all classes of cattle

Helps control and prevents development of horn flies in the manure of treated cattle.

Give yourself and your livestock the best protection from horn flies with Fly Buster™. Your cattle will receive the supplemental nutrition that you've come to expect from **FORAGE STAR™**.

**Finally there's help.
The best fly control since
the swatter, Fly Buster™.**

Here's how it works:

- ★ Your livestock consume ALTOSID® IGR on a regular basis as they lick the Fly Buster™ Pro Protein Supplement,
- ★ The ALTOSID® IGR passes through the animal's digestive system.
- ★ Cattle manure now contains ALTOSID® IGR that kills larvae before they reach the fly stage.

Fly Buster™ Pro

GUARANTEED ANALYSIS

Crude Protein (Min).....	12.0%	Copper (Min).....	600 ppm
Crude Fat (Min).....	6.0%	Iodine (Min).....	20 ppm
